Head Office
is being
RELOCATED

It is with great pleasure that I write to inform you, that on the 14th December 2015, we will open doors in a more spacious, bigger and better modern facility.

Since launching the business in 1988 and operating out of a small shop in Queensberry St. Carlton, thence to North Melbourne, then to West Melbourne, all your loyal business and support is one of the main reasons why we've grown so much over the years and we have found the need to establish a much larger and spacious Head Office, Machinery Service Centre and Distribution Warehouse to keep up with the growing demands of the industry.

Our new facility, will be of great benefit, not only to all our staff, but also to our customers. This new infrastructure will assist us in improving our service and business for all our customers in Australia.

Our new address is **25 Paramount Road, West Footscray VIC 3012**. Our phone number remains unchanged – **1300 347 347**

For speedy pick up service on all products, please visit our Arden Street Branch in North Melbourne, who are close by to help with all your needs for any urgent pickups.

With this relocation we ask you to amend your records for all correspondence to be mailed to our **PO Box 8079 Tottenham 3012**

We would like to take this opportunity to express our sincere appreciation for your patronage and continued support and look forward to seeing you at our new location.

Yours faithfully,

Mr. Joe Camilleri
