ES157 Electric Rotary Brush

Product Code: 26-100-15723000

The ES157 rotary brush is designed for any kind of cleaning work on floor or stairs.

In using the cylindrical brush, which is specially designed for stair cleaning. Steps are perfectly clean on both sides, horizontally and vertically. Very stable with adjustable wheels, this machine is very easy to use.

With the two adjustable pivot wheels, the operator can adjust the position of the machine according to the brush used.

The ES157 rotary brush can be used also for cleaning, sanding, or stripping wooden floors.

Optional Accessories

Nylon brush

• Ø 230 • 0.5 mm

Code: 26-160-01570000

Tynex brush

• Ø 230 • 1.1 mm

Code: 26-160-01570100

Nylon brush (cylindrical) Tynex brush (cylindrical)

• Ø 260 • 0.5 mm

Code: 26-160-01570300

• Ø 260 • 1.1 mm

Code: 26-160-01570400

Flexi holder

Code: 25-150-01593110

Power 250 Watts
Rotation speed 270 /min
Brush pressure 35 g/cm ²
Voltage 220-240 v
Frequency 50-60 Hz
Cable length 10 mt
Diameter 230-260 mm
Theoretical performance 16 m ² /h
Sound pressure level 45 dbA
Dimensions cm L46 x W19 x H29
Weight 10 kg

ES406 Battery powered Scrubber

Product Code: 27-400-40601244

Battery

• 12V • 44AH

Code: 42-100-04496600

Charger

• 230V/12V • 6AH

Code: 42-100-04493800

Nylon brush

• Ø 432 • 0.8 - 0.5 mm

Code: 27-160-24411400
Code: 27-160-24411500

Tynex brush

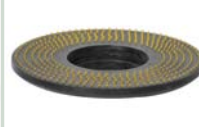

• Ø 432 • 0.8 - 1.1 mm

Code: 27-160-44410200
Code: 27-160-44410300

Flexible studded pad holder

• Ø 406

Code: 27-150-24411700

The ES406 battery powered scrubber can be used for stripping, scrubbing, spray cleaning, and any work near swimming pool.

This machine made with high density rotomoulded polyethylene ensures a high quality, durability and long life. With two big wheels this machine is easy to move. The adjustable and ergonomic handle provides comfort for the operator.

The scrubber is equipped with a 10lt solution tank which is integrated in the body of the machine giving more weight in operation and less weight for transportation. The autonomy of this machine is 40 to 50 minutes depending the type of surface to clean. The great advantage of the ES 406 – 12v is to avoid any risk in working near swimming pool or in very wet atmosphere and to be free to work in areas without electricity.

This scrubber is also available in 230v.

Optional Accessories

Power 250 Watts
Rotation speed 150 rpm/min
Brush pressure 21.3-31 g/cm ²
Voltage 12 v
Frequency 50 Hz
Solution tank 10 lt
Autonomy (approx.) 50 min
Diameter 406 mm
Dimensions cm L55 x W41 x H30
Weight 17-27 kg
Weight with battery 30-40 kg

ES155 Electric Mini - Scrubber

Product Code: 25-100-15523010

The ES 155 mini scrubber is ideal for cleaning small spaces or congested areas such as stairs, bathroom, toilet, kitchen, laboratory etc....

Light and small, the machine is very easy to use without effort. With a 10mt cable, the scrubber allows the cleaning of horizontal or vertical surfaces very easily.

Made with high density rotomoulded polyethylene it guarantees a high quality, durability and long life.

A large choice of brushes or pads is available for all kind of works.

Pad holder

• Ø 150

Code: 25-160-01534010

Nylon brush

• Ø 175 • 0.5 mm

Code: 25-160-01532010

Tampico brush

• Ø 175

Code: 25-160-01532210

Tynex brush

• Ø 175 • 1.02 mm

Code: 25-160-01535110

Nylon angle brush

• Ø 150 • 0.5 mm

Code: 25-160-01536010

Tynex angle brush

• Ø 150 • 1.02 mm

Code: 25-160-01538010

Power 60 Watts
Rotation speed 300 rpm/min
Brush pressure 28.7 g/cm ²
Voltage 220-240/120 v
Frequency 50-60 Hz
Cable length 10 mt
Hose Diameter 150 mm
Theoretical performance 25 m ² /h
Sound pressure level 55 dbA
Dimensions cm L43 x W15 x H24
Weight 4 kg

ES153 Electric Mini - Scrubber ES153012 Battery Mini - Scrubber

Product Code: 25-110-15323010 (Electric)

Product Code: 25-110-15301210 (Battery)

The ES153 and ES153012 mini scrubbers are ideal for cleaning small spaces or congested areas such as stairs, bathroom, toilet, kitchen, laboratory etc. Light, with a handle and reduced dimensions, these machines are very easy to use without effort.

Equipped with a flexible plate, the scrubber allows the cleaning in very small spaces with an easy control.

Made with high density rotomoulded polyethylene it guarantees a high quality, durability and long life.

A large choice of brushes or pads is available for all kind of floors. Exists with a solution tank. Electric and battery powered version are available.

Flexi holder

Code: 25-150-01593110

Battery

• 12V • 7.2AH

Code: 42-100-00592800

Pad holder

• Ø 150

Code: 25-150-01534010

Nylon brush

• Ø 175 • 0.5 mm

Code: 25-160-01532010

Tampico brush

• Ø 175

Code: 25-160-01532210

Tynex brush

• Ø 175 • 1.02 mm

Code: 25-160-01535110

Nylon angle brush

• Ø 150 • 0.5 mm

Code: 25-160-01536010

Tynex angle brush

• Ø 150 • 1.02 mm

Code: 25-160-01538010

Optional Accessories

Power 60 Watts
Rotation speed 300 rpm/min
Brush pressure 37.1 g/cm ²
Voltage (E) 220-240/120 v • (B) 12 v
Frequency 50-60 Hz
Battery 7.2A
Cable length 10 mt
Water tank capacity 2.5 lt
Autonomy of the battery 50 min
Hose diameter 150 mm
Theoretical performance 45 m ² /h
Sound pressure level 55 dbA
Dimensions cm L43 x W15 x H105
Weight 5.4 kg
Weight of batteries 8.2 kg
