Polish floors in 3 easy steps *only* with water

No harsh chemicals, just a combination of unique pads impregnated with diamond particles, and water – that's the secret of Bonastre Pad's success in creating mirror finish floors.

Easy to use with most floor machines, simply attach the graded coloured pads and follow the easy steps to rejuvenate worn floors to a sparkling gloss shine. Environmentally friendly and available in many sizes.

BONASTRE PADS

DEEP CLEANING AND BRILLIANT POLISHING

STEP 1 - RED

Use **red pad and water** to deep clean and remove micro scratches.

STEP 2 - YELLOW

Use **yellow pad and water** to maintain shine and polish floors.

STEP 3 - GREEN

Use **green pad and water** to maintain and super polish floors to mirror finishes.
