PULLMAN ADVANCE DEHUMIDIFIER

Specifications

Product Code	Z16100012
Model Number	ALGR130L
Voltage	220V-240V~50Hz
Rated Input Power	1230W
The Air Volume	918 m ³ /h
Capacity (30°C/80%RH)	130L/D
Capacity (40°C/20%RH)	9L/D
Power plug length	7m
Water pipe length	6m
Refrigerant/Charge	R410A/1300g
Net Weight	57.5Kg
Warranty	1 Year

Key Features:

- Heavy-duty performance is built for continuous operation in demanding environments.
- Portable trolley design allows easy movement between work areas.
- Continuous drainage supports non-stop operation without frequent emptying.
- 130L daily moisture removal helps control humidity in large commercial spaces.
- Rapid drying power reduces drying time after water damage or moisture build-up.
- High airflow system provides efficient and consistent moisture extraction.
- Smart app control allows convenient remote operation and monitoring.
